## Standard Features

All Westnet Phone plans include the following features (usage charges may apply)

### Call Waiting

If someone else is trying to call you when you are already on the phone, use call waiting to put your current call on hold and answer the incoming call.

### Call Forward

Transfer calls from your home phone to a number of your choice with Call Forward.

### Call Back

If you are trying to call a number and it is engaged, use Call Back. You'll get a call the moment the number you are trying to call is free.

### Call Return

Call Return will give you the number of your last unanswered call.

### 3-Way Chat

Use 3-Way Chat if you want to talk with two people on the one call.

# Special Offer

## Australian Government Subsidised Offer

Westnet, with support from the Australian Government's *Broadband Connect* program, is bringing affordable broadband internet services to regional Australia.

If you live in an area that is new to broadband internet, you may be eligible to receive this very special offer of a FREE broadband modem (save \$99), FREE connection (save \$99) and your first 6 months of broadband internet at half price (save at least \$104\*).

## The Benefits of Broadband

Broadband is high-speed internet. It is popular throughout Australia for the following reasons:

- It is always on and you never have to dial up
- Surfing the web is seamless and pages load very quickly
- You can access websites and get music, videos and photos at super-fast speeds
- You can be online and on the phone at the same time - no second phone line needed

## Check if you're eligible

To receive this very special offer, you must be:

- A residential customer, or
- A small business or not-for-profit organisation with less than 20 full-time employees nationwide, or
- An Indigenous Community Council

You must also be new to broadband internet and live within a *Broadband Connect* area. Most *Broadband Connect* areas are within regional, rural and remote Australia but some metropolitan and fringe areas that are new to broadband may also be eligible. Please check if you are eligible by calling Westnet.

\* Based on unbundled broadband prices.

This offer is made possible in regional Australia with support from the Australian Government's Broadband Connect program.
